We Can Help!

This brochure provides a brief description of the options for reducing some or all of your medical bills; **HOWEVER**, we strongly recommend that you talk with our Enrollment Specialist about obtaining health insurance or a Financial Counselor about paying your bills.

If you would like to setup a plan to payoff your medical bills on a monthly basis, please call
(518) 770-7567

If you have no insurance...

Our Enrollment Specialist can contact you to see if you may be eligible for a health insurance plan such as Medicaid, Child Health Plus or Family Health Plus. Eligibility is determined based on family size and income level. The Enrollment Specialist can also help you with the application and enrollment forms. Please call (518) 841-3895 to discuss your options.

If you are unable to pay your medical or hospital bills...

- You may be eligible for financial assistance through the St. Mary's "Carondelet Care" program.
- A Financial Counselor can work with you to possibly reduce part or all of your expenses. In order to help, the Financial Counselor will need you to provide detailed financial information; this information is necessary to complete the financial assistance forms.
- A payment plan may be another option for you. Please contact a Financial Counselor to review this possibility.
