

Join Our Primary Care Team

POSITION

St. Mary's Primary Care network consists of eight centers located within our largely rural two-county service area of Fulton and Montgomery Counties. Each of these centers work with multi-disciplinary teams to provide optimized, patient-centered care tailored for each patient we serve. We are seeking a board certified/board eligible MD to join our Primary Care team. This is a hospital-employed position in an outpatient ambulatory setting.

RESPONSIBILITIES

- Examines, evaluates and treats patients with special attention to optimizing overall health and wellness of the whole person.
- Works with a multi-disciplinary team to accept and provide referrals as needed to enhance the quality of care rendered to the patient.
- Requests necessary tests and refers patients to specialists as necessary.
- Prescribes treatment and performs follow-up examinations.
- Develops long-term, personal relationships with their patients.

- Produces individualized healthcare plans based on patient need.
- Offers continuous support and health management advice.
- Treats a wide range of medical conditions and provides preventive services.
- Provides appropriate documentation as needed.
- Participates in telephonic call coverage.

This position offers the following:

- Base salary
- Semi-annual bonuses for productivity and patient satisfaction
- Sign-on bonuses
- Relocation assistance
- CME, License, DEA reimbursement
- Educational loan forgiveness/assistance opportunities.
- Comprehensive fringe benefits package.

Our mission to serve the poor drives us, but it's the sense of becoming part of each family in our community that fuels us to exceed expectations. Earning their trust empowers us to make a **meaningful difference.**"

DR. WAFIA SARWER

Johnstown Family Health Center

ST. MARY'S HEALTHCARE OVERVIEW

At St. Mary's we have a strong connection to our community and with our associates. It's what defines us, and inspires us to do all that we do. You'll find this a great place to practice medicine, working in a supportive environment with like-minded providers committed to excellence.

We are a 100-bed hospital with a robust array of inpatient and outpatient service lines, including, but not limited to: primary care, pediatrics, ENT services, gastroenterology, podiatry, obstetrics and gynecology, urology, surgery, behavioral health, addictions treatment, urgent, emergent and ambulatory care, long term care, oncology/cancer medicine, infusion therapy services, retail pharmacy, headache center, sports medicine, physiatry and minimally invasive and robotic surgery. And, we're proud to offer the Da Vinci Xi, the most advanced da Vinci Robotic Surgery System in the world.

Founded by the Sisters of St. Joseph of Carondelet in 1903, St. Mary's pays special attention to the poor and underserved, and we remain fully aware of the need to address the spiritual, social, emotional, and physical needs of our patients.

LOCATION

Located in beautiful Upstate New York, St Mary's puts you within easy reach of Saratoga Springs, Albany and the Adirondack Mountains, all about a half hour's drive.

Albany International Airport is located just 35 minutes east, while a three-hour drive in any direction will take you to Montreal, Boston, New York City, Rochester, Vermont, New Hampshire or Connecticut. There is an Amtrak train station just steps from the hospital.
