# Strong Partnerships. Stronger Community.

For more than 120 years, St. Mary's has stood at the heart of our community—evolving from humble beginnings into a trusted, regional provider of compassionate, high-quality care. Through generations of change, medical advancement, and community growth, our mission has remained constant: *servicing all with compassion and excellence.*

Now, more than ever, we need our community to choose St. Mary's for their healthcare—and choose the Foundation as their partner in sustaining and strengthening that care. Like many rural hospitals, St. Mary's is facing significant financial challenges due to rising costs, evolving patient needs, and ongoing reimbursement shortfalls. With narrowing financial margins, St. Mary's is increasingly more limited in our ability to invest in the programs, services, and workforce that benefit our community. To underscore an important truth: **community partnership has never been more essential.**

Philanthropy is not an “extra” at St. Mary's—it is a strategic and mission-critical investment in patient care, technology, access, and innovation. When individuals, corporate sponsors, and community partners choose the Foundation, they directly strengthen the hospital's ability to deliver safe, advanced, and compassionate care—right here, close to home.

Last year's signature events demonstrated what is possible when our community comes together. Thanks to many generous partners, we exceeded our fundraising goals, and we are planning to build on that momentum in 2026. Beyond dollars raised, these events celebrate our mission, and highlight St. Mary's enduring role as a trusted, valued, and essential part of the community.

This year, we invite you to partner with us—sending a powerful message: **that access to quality care, close to home matters, and that St. Mary's future is worth investing in.**

Enclosed you will find sponsorship opportunities for our two signature events. These are designed to align with our philanthropic goals, while providing meaningful recognition and engagement for you. We would be honored to welcome you at our events and to recognize your leadership in sustaining community healthcare.

We hope you choose to partner with us to ensure that when our community needs care, St. Mary's is here—strong, stable, and ready.

With gratitude,

# *A Golden* **JUBILEE**

AUGUST 13 | SANFORD STUD FARM | 6-10 PM

A GOLDEN MILESTONE HONORING HISTORY,  
CELEBRATING THE PRESENT, AND IGNITING THE FUTURE.

This year, we celebrate our 50<sup>th</sup> Annual Gala – **A Golden Jubilee** – marking 50 years of gala tradition and more than 120 years of proudly serving the community. Our 2025 gala, An Aloha Affair, was an overwhelming success, with record-breaking attendance of 450 guests, and \$105,000 raised for urgent care and emergency services at St. Mary's. Event proceeds will once again benefit these essential services—ensuring high-quality care is available when you need it most.

Please join us on **Thursday, August 13**, at the historic **Sanford Stud Farm**, as we honor five decades of gala celebrations; over a century of care; partners, associates, and patients who made it possible; and the future of healthcare in our community. The event will feature live music by Grand Central Station; delicious food by Union Hall Inn; exciting raffles and silent auction by The St. Mary's Healthcare Auxiliary; dancing, networking, and more!

**Gold** represents **Strength. Resilience. Endurance**. And like gold, refined by fire, St. Mary's has grown brighter with every challenge, every innovation, and every patient served. As a sponsor of our 50<sup>th</sup> Annual Gala, you will align yourself or your organization with a trusted institution—one that remains the benchmark for excellence and compassionate care in our community. In return, your partnership offers meaningful visibility, strengthens your brand's community presence, and demonstrates a shared commitment to the health and well-being of the people we serve.

**We invite you to seize this golden opportunity—and help us ensure the next 120 years shine even brighter!**
